The 22nd Annual North Penn Taekwon-Do Tournament is being presented on Saturday March 21<sup>st</sup>, 2020. Registration starts at 10:00 am with opening ceremonies and competition expected to begin by 11:30 am (note: doors open at the YMCA at 9:00 am but classes and programs are ongoing during this time).

The location will once again be the Indian Valley YMCA, 890 Maple Avenue, Harleysville, PA 19438.

Competition will be open to Gup and Black Belt students, in patterns and sparring (tournament specifics are included in this packet). Additionally, Team Pattern competitions will be held for Gup and Black Belt teams.

North Penn Taekwon-Do is a member of the United Taekwon-Do Federation (UTF). The UTF supports national and international ITF competition and strives to further the efforts of all UTF students that wish to compete. This tournament will support UTF competition fundraising efforts by contributing \$ 25 in the name of each winner in the 'Best of the Best' Patterns competition (Jr. & Sr. Gup, Jr. & Sr. Black Belt).

Competition is open to the students of the schools that have received a formal invitation to attend – this is not an 'open' tournament.

We hope you will make time in your schedule to attend this competition to display your skills, meet fellow practitioners of our Art, or just come watch and support those competing.

I look forward to seeing you.

Regards,  
Mr. Gene Nederostek
